Tonawanda Reservation Historical Calendar

A project of the Tonawanda Reservation Historical Society

Mission Statement

The Tonawanda Reservation Historical Society was established for the purpose of preserving and disseminating the history of the Tonawanda Seneca Indian Reservation for our people, for the generations yet unborn, and for the education of non-Indians about our culture. To achieve this purpose the Historical Club's goals are to collect and preserve materials pertaining to the history of the Tonawanda Reservation and its people; to record and document historically valuable information; make such materials available to researchers, the public and especially to Tonawanda Reservation residents and their descendants; sponsor exhibits, publications, and other methods to inform and educate people about the history of the Tonawanda Reservation.
